

Division G Director Report

August 2024

It has been a fantastic start to the year for Division G.

Firstly, we have a full quota of Area Directors

- G1 - Sian Farr
- G2 - Rachel Clay
- G4 - Tania Sales
- G6 - Katina Beauchamp
- G7 - Derrick Russell

Thank you to each of them for stepping forward.

We held a very successful Club Officer training at the start of August, with about 50 club officers in attendance. The session was a great example of Division G and J teams working together. This is something we are hoping will grow over the year.

Area Directors have started visiting their clubs. Some of visiting informally to get to know their clubs. Some are well on the way to completing their Area Visit reports. Several Area Council meetings have been held. I have been invited to some, and it is wonderful seeing the interest in the clubs wanting to support each other.
