My goals for this year	Where Im at with the goal
Find two more Area Directors Area D2 & D5	No luck yet and it's not for lack of trying.
Try to visit every Toastmasters club in my division, by end of February 2025, introducing myself giving a motivational speech talking about my theme of Connections and how it relates to clubs.	5 completed 5 booked 20 to complete
Event 1: Connecting with yourself. (Late September) Host an Improv Night for all Toastmasters in my Division that can come. This is a paid event \$25 a head. 30 people are required to break even (cost is \$650 for up to 40 people). May even make a little money for D72 if we get more than 30 people to attend. Improv sessions help immensely with body language, presentation skills and the use of comedy. There has been keen interest to date however I am committed to covering any shortfall should there not be enough attendees.	Confirming date with Court Jesters so I can start advertising.
Event 2: Connecting with other Toastmasters Quiz Night (early December – Christmas at Toastmasters theme). Free event and Secret Santa.	Planning stage
Event 3: Connecting with others outside Toastmasters Have an Open Day in the Open – somewhere in the middle of Christchurch on hopefully a sunny Sunday in February 2025. Promoting Toastmasters to everyone in the Christchurch region.	Planning Stage
Event 4: Connecting with Toastmasters International Sometime in June 2025 host a small gala dinner for all celebrating our 100 year anniversary. Paid event.	Not even at the planning stage as yet. Will need to have an organising group to help out.
Toastmasters Promotions: Monthly post on all the social groups on Facebook promoting Toastmasters as a whole – with link to D72 website or Find a Club.	July completed August planned for after COT training.
COT In person session Round 1. Helping Club Officers become better leaders for their club 24 August.	Completed and well received. Hoping for good feedback
COT in person session Round 2	Not started, waiting for confirmed dates.
